LAND REVENUE SETTLEMENT

GOVERNMENT OF MADRAS

Revenue Department.

Memorandum No.4030-D/32-1, dated 1st December 1932.

Land (Bellary) - Bellary Cantonment - to the Municipal Council. - Transfer

The municipal council, Bellary, is paying a rent of Rs.45/- a year to the military authorities for a piece of land measuring 45 cents which is being used by it as a bus stand. The Government of India do not consider it desirable that the present arrangement should be continued but desire to extinguish it in favour of an immediate payment of a lump sum by the Municipal Council. They wish to be informed whether the local Government and the municipal council have any objection to the proposal and if not, they wish to know what sum is payable to them. The Cantonment authority had erected the bus stand on the land and the Government of India sanctioned its transfer to the Cantonment authority in 1929 under rule 6 of the Cantonment Property Rules, 1925, and vested the land in that authority under Section 108 of the Cantonments Act, 1924. The bus stand was borne in the Cantonment Authority's immovable property register and was transferred to the municipal council when the Cantonments Act was withdrawn from Bellary. The Board is requested to report--

(i) the survey number and area of the bus stand and how it is registered in the revenue accounts;

(ii) whether it was in the unconditional occupation of the Government of India on 1st April 1921;

(iii) if it was, whether there is any objection to the proposal of the Government of India and if there is none, what amount should be paid to the Government of India and whether the municipal council is willing to pay it.

If however the municipal council prefers to purchase the land, the Board is requested to report the market value of the land and the conditions on which it should be sold to the municipal council.
